
ValueTrans®

We transfer value *to* you to
create value *for* you

OUR SERVICES

For large enterprises we are here to bypass resource bottle necks.

For small and medium sized enterprises we offer competencies that are not provided for internally.

◆ LEGAL ADVICE

- **Commercial contracts** such as sourcing, sale and purchase agreements, distribution and agency contracts, cooperation and development contracts
- As “**external in-house counsel**” in all areas for SMEs and start-ups
- **Structuring and developing legal departments**, elaboration of **standard contracts**, defining processes in legal departments
- **Compliance programmes in Cartel Law for SMEs**, including training of employees
- **Training** of sales and marketing people in following areas:
 - Contract negotiations
 - Cartel Law
 - Liability for products
 - Product security law
 - How to handle customer complaints

We support you swiftly and effectively.

◆ BOD MANDATES, SUBSTITUTION OF ASSOCIATIONS AND FOUNDATIONS IN COMMITTEES

◆ M&A-PROCESS MANAGEMENT

Co-ordination of acquisitions and divestitures

◆ PROJECT MANAGEMENT

We have supported projects such as the purchase of a factory in Russia and initiated and successfully concluded strategic sourcing and cooperation agreements for our clients.

IN-HOUSE COUNSELLING

We help you to handle resource bottle necks. Unnecessary expenses such as full annual cost for personnel are hence avoided.

We bypass your resource bottle necks.
