## OUR SERVICES

For large enterprises we are here to bypass resource bottle necks.

For small and medium sized enterprises we offer competencies that are not provided for internally.

### ◆ LEGAL ADVICE

- **Commercial contracts** (such as sourcing contracts, sale and purchase agreements, distribution and agency contracts, co-operation and development agreements)
- as „**external in-house counsel**“ in all areas for SMEs and start-ups
- **structuring and developing legal departments**, elaboration of **standard agreements**, defining processes in legal departments
- **Compliance programmes in Cartel Law for SMEs**, including training of employees
- **Training** of sales and marketing people in following areas:
  - contract negotiations
  - Cartel Law
  - Liability for products
  - Product security law
  - How to handle complaints from customers

*We support you swiftly and effectively.*

### ◆ BOD MANDATES

### ◆ PROJECT MANAGEMENT

*We have supported projects such as successfully concluded strategic sourcing and cooperation agreements for our clients.*

---

### IN-HOUSE COUNSELLING

We help you to handle resource bottle necks. Unnecessary expenses such as full annual cost for personnel are hence avoided.

*We bypass your resource bottle necks.*
